

AUDIT COMMITTEE

Terms of Reference

- (a) To provide advice/best practice for sound, robust financial accounting and operating systems and controls, with a view to facilitating the University in discharging its responsibility of demonstrating accountability and providing value for money for the use of public funds.
- (b) To approve the appointment of the external auditors, the audit fee, and any related matters.
- (c) To discuss with the external auditors, before the audit commences, the nature and scope of the audit.
- (d) To review the annual financial statements before submission to the Council via the Finance Committee, focusing particularly on inter alia major judgemental areas and compliance with accounting standards.
- (e) To discuss problems and reservations arising from the final audits, and any matters the auditor may wish to discuss (in the absence of the University Administration where necessary).
- (f) To provide advice on safeguarding assets and managing risks.
- (g) To review other reports of the external auditors (if any) and the University Administration's response.
- (h) To discharge other duties assigned to it by the Council.
